

# Career Roadmap for Suraj

## Machine Learning Engineer

Match Confidence: 85%

---

### ■ Description:

AI/ML models banate hain, data se predictions karte hain. Artificial Intelligence aur Deep Learning mein specialize karte hain.

### ■■ Required Skills:

- Python
- TensorFlow/PyTorch
- Statistics
- Linear Algebra
- Data Structures

### ■■ Learning Roadmap:

1. Python + Mathematics (3 months)
2. Machine Learning Basics (3 months)
3. Deep Learning & Neural Networks (4 months)
4. Computer Vision / NLP (3 months)
5. Projects & Kaggle Competitions (2 months)

### ■ Expected Salary:

■ 8-30 LPA (India) | \$100k-250k (USA)
